

## **SOLUTION 0002 – CREATING, SAVING AND PRINTING A DOCUMENT**

---

People are now able to buy their postage online, without any stamps, for the first time under a new free initiative from the Royal Mail.

Customers pay for postage by credit card over the internet for first-class, second-class, recorded, special and international deliveries.

### **Marking checklist**

Document created and printed as above  
Document saved using the filename **post**  
The word-processing application closed
