

SOLUTION 4006 – CREATING A SINGLE COLUMN TEXT FRAME

Fun In The Mud motocross lessons and race schools take place at the motocross track located within the famous Knockhill circuit in Fife, Scotland. Professional tuition is provided by Andy Russell and his team of coaches who are Scottish Auto Cycle Union (SACU) approved with many years experience motorcycling, on and off road.

The lessons are 1 to 1 or in small groups and last for a half or a full day depending on the type of lesson or race school booked - see the lessons section for more details. At Fun In The Mud we cater for all ages, from young to old, and all levels of experience, from the beginner who can't even ride a bike, to experienced riders with their own equipment.
